

# DONNY INGRAM

## Motivational Speaker & Trainer

Imagine everyone in the workplace performing at their full potential. Each individual recognizing their purpose and working with passion, being positive, creative, energetic and taking *personal responsibility in developing excellence (PRIDE)*. Donny can ignite each member of your organization to identify the tools and use the methods to:

- Become more productive
- Discover purpose and passion
- Motivate themselves and others
- Communicate effectively
- Take the 4 steps that will lead to success
- Develop and maintain a positive attitude
- Lead others with confidence
